ABOUT **ME**

Design Architect passionate about digital architectural representation. I have experience and skills in 3D modeling and rendering of photorealistic images for the representation of architectural spaces. Since my training process to become an Architect, I have been developing and mastering my skills and passion for **architectural design and 3D Visualization**. Skilled in task management, time management, teamwork and communication with clients and suppliers.

Areas of interest:
- **ArchVIZ** (3D modeling and rendering)
- Architectural design
- Parametric design
- Bioclimatic design
- Home automation and building automation

SKILLS

Technical drawing.
Design and production of scale models.
CAD design and drawing tools, modeling, 3D rendering, graphic and video editing (SketchUp, 3dsMax, Rhinoceros-Grasshopper, Autocad, Enscape, Vray, Lumion, Photoshop, Illustrator, Premier).
Software and tools knowledge for photogrammetry with drones (Pix4D).
BIM Methodology - REVIT
3D Printing knowledge

EXPERIENCE

Designer and 3D visualizer Architect
BELGRAVIA ARCHITECTURE – Bogotá, Colombia (March 2025 – November 2025)
Architectural and interior design for residential projects, mood board construction, CAD planimetry, 3D modeling and photorealistic rendering, Project documentation, cost estimation, construction work supervision.

Design Architect
CMS GLOBAL S.A.S. – Torres Real State
Bogotá, Colombia (July 2024 – Current)
Architectural design for country housing projects (design of common areas, model houses), 3D modeling, photorealistic rendering (exterior and interior), creation of scale models, planimetry and documentation, 3D printing.

Architecture Intern
SEAPHIA S.A.S. - Bogotá, Colombia (July 2022 - January 2023)
Architectural design of floating architecture projects from the conception of the design idea, basic scheme to the preliminary project phase.

EDUCATION

**3D Visualization and Architectural Marketing Diploma**
Naska Digital (2024).

Architect
Pontifical Javeriana University (2023).
Cumulative GPA: 4.5/5

BIM-REVIT Architecture Diploma
Naska Digital (2023).
